SECO-LARM® *E-942FC-1300*
Electromagnetic Gate Lock Template

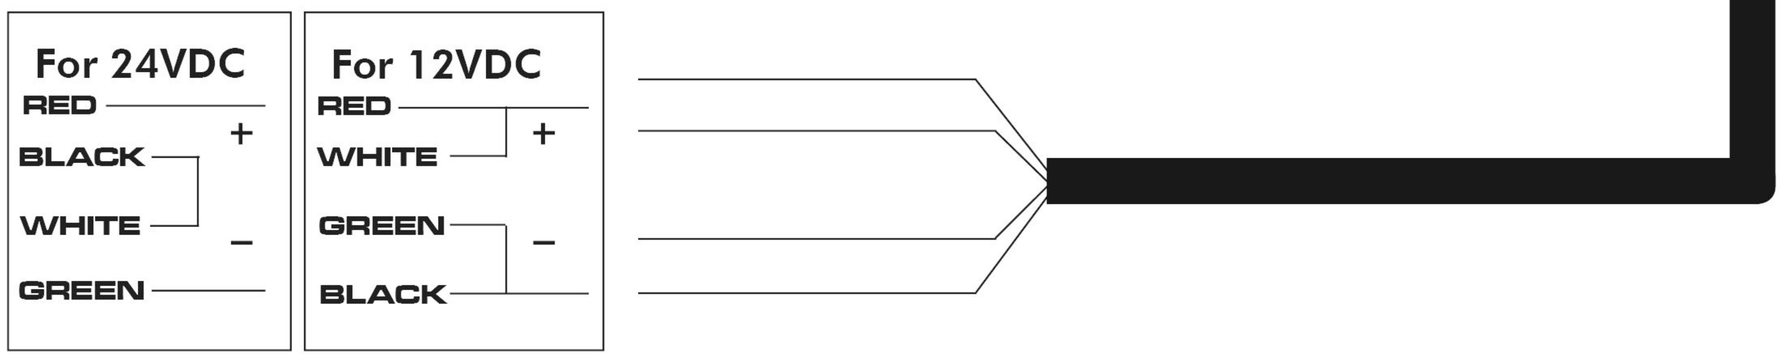

Important: The 4 mounting holes must be precisely positioned.

Don't copy this template, as photocopiers will alter dimensions slightly.

$1\,^{15}/_{16}$" (48mm)

$7\,^{1}/_{8}$" (182mm)

<u>Important</u>
Damage caused by improper connection will void warranty.

Before applying power, check the wire connections. Incorrect connections may result in a burned-out electromagnet.
